F In the unlikely event that a Covid-19 infection occurs in our staff or customers staying at the same time, we will not be infected. Information will be provided to the embassy or consulate regarding the contact of the victim. Providing the following information to the embassy or consulate as well.

Contact information Email:

Mobile phone:

Address:

3. Contact us if your own infection is found within 2 weeks after the last day of DIVELITE.

Please check.

G If you are found to be infected with the new coronavirus within 2 weeks from the last day of using DIVELITE, immediately Please let us know to DIVELITE..

H. Using a hospital in Bali is expensive. If you are infected with Covid-19, the insurance premium will be higher. There is a possibility that We strongly recommend that you purchase overseas accident insurance with a enough amount of compensation before entering Bali. (We cannot compensate or compensate for corona infection at DIVELITE). I agree with F, G and H above.
